Minimum Call Out Fee:

A Minimum Call Out Fee of two (2) hours during regular hours, and (4) hours during overtime hours will be assessed per individual employee provided to perform the requested service.

Stand-by Time:

Stand-by time is defined as any time during which official personnel are committed to an applicant and are not available for other assignment. The hourly rate will be assessed in ¼ hour increments per individual employee required to stand by. The hourly rate will be assessed in ¼ hour increments per individual employee required to perform the requested service as follows: **When no other fee is established.**

Mileage Fee:

The IRS standard mileage rate, less 2 cents per mile, will be assessed for all services performed outside of the recognized metropolitan area. All charges for mileage will be prorated where possible. Any change to the mileage rate is effective when the IRS changes their standard mileage rate. Only under contractual agreements will adjustments be made to the mileage rate.

Timely Payment and Assessment of Finance Charges:

Invoices will be issued monthly. Payment is due upon receipt of the invoice. If payment is not received within 30 days after the invoice date, a finance charge of one and one half percent per month shall be assessed. In addition, service may be withheld until the delinquent account is paid and a cash deposit is made guaranteeing payment for future services

Guaranteed Revenue Contract:

A Guaranteed Revenue Contract may be negotiated with any applicant. This contract will provide for billing applicants an amount equal to all costs of providing the service.

Contracts: General

A contract may be negotiated with any applicant to provide more cost effective service. Specific concessions may apply on a per contract basis.

Unit fees do not include hourly labor rates for D/T, pelican and ellis cup sampling, nor probe sampling performed outside normal business hours.
