Grain Inspection and Weighing Fees and Charges

Effective: November 1, 2010

Federal Grain Inspection Service (FGIS) must approve all fees for official services and OAs will assess only those fees appearing on their current approved fee schedule.

Regular Hours: 7:00 a.m. to 3:00 p.m. Monday through Friday except holidays.

	<u>Inspector</u>	<u>Technician/Sampler/Weigher</u>
Regular Hourly Rates:	\$20.00	\$17.00
Overtime Rate (Saturday and Non/Regular)	\$30.00	\$25.50
Sunday and Holiday	\$40.00	\$34.00

All hourly rates will be assessed in quarter-hour intervals. A minimum call out charge of 4 hours will be charged at applicable hourly rate.

\*If an elevator requests Agency personnel to perform On-Line Sampling and/or Inspection Services and the shift lasts in excess of 15 consecutive hours, the Holiday/Sunday rate will apply to all hours in excess of 15 hours.

On-Call Charges: On-call charges are when an applicant wants personnel available and waiting to report for duty after regular hours. The elevator establishes a start time and will contact Agency personnel prior to the start time to report on the loading status. If the elevator is not ready by the established time, a 4-hour per person per day charge will be assessed at the appropriate hourly rate.

Holidays: New Years Eve (at 11:00 a.m.) and New Years Day, Presidents' Day, Good Friday, Memorial Day, 4<sup>th</sup> of July, Labor Day, Thanksgiving Day, Christmas Eve (at 11:00 a.m.) and Christmas Day. All overtime, Sunday, and Holiday Rates will be assessed in addition to unit fees. Overtime will be assessed for all work performed outside regular hours.

Travel Fees: Travel time outside city limits will be assessed at the applicable hourly rate and prorated where appropriate when more than 1 applicant is serviced in 1 trip.

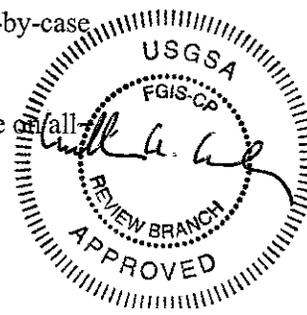

Standby Time: Standby time will be assessed at the applicable hourly rate.

On site inspection service: Applicable hourly rate (without contract) per person plus unit fee if personnel are available.

Services not covered by the above fees will be performed at the applicable hourly rate plus travel, and FGIS supervision fees.

Official Commercial Inspections are available upon request and fees will be negotiated on a case-by-case basis.

Service charge for unpaid balances in the amount of 1.5% per month. This fee would be effective on all balances not paid or postmarked by the 25<sup>th</sup> of the month following the invoice date.
