Weather Policy: Minot Grain Inspection will adhere to the following inclement weather policy, railcar sampling services may be delayed or suspended when one or more of the following conditions exist:

High winds, rainfall that creates conditions that are either dangerous to employees and/or degrading to the grain being sampled, lightning, snow and/or ice on the railcars, or any other weather related and/or facility specific condition that could put employees providing the sampling service in jeopardy. Adequate lighting must be provided when onsite sampling is requested after sunset.

Minimum Call out: A minimum 2-hour callout at the applicable hourly rate will apply Sunday through Saturday.

Travel and Stand-by Rates: Travel assessed for actual travel time at the applicable hourly rate. Stand-by will be charged at an applicable rate for delays not caused by the Agency and will apply in 1/4-hour increments. Travel and Stand-by rates outside Regular Hours will be applied at the Overtime Rate.

Mileage Fees: The IRS standard mileage will be assessed. Changes to the mileage rate are effective when the IRS changes their standard mileage rate. Mileage will be prorated when possible.

Commercial Inspections Services: Official commercial inspections are offered and will be negotiated, on a case-by-case basis, from our officially approved fee schedule.

Equipment Services: Directive 9180.68, *CROSS UTILIZATION OF EQUIPMENT*, outlines the procedures for cross utilizing inspection and weighing equipment. The approval and checktesting of elevator-owned lab equipment /mechanical samplers used for Official Inspection Services will be billed at the applicable hourly rate, plus travel time and mileage.

On-Call Charges: These charges apply to Saturday, Sunday, and Holidays when the applicant wants personnel available and waiting to report for duty. The elevator establishes a start time and will contact agency personnel prior to the start time to report on the loading status. If the elevator is not ready by the established time, a 4-hour per person per day charge will be assessed at the appropriate hourly rate.

Sealing Railcars: *Minot Grain Inspection is not responsible for the seals after the railcar leaves the applicant's property. It is the applicant's responsibility to confirm that all seals have been applied by Minot Grain Inspection to their satisfaction.*
